In preparation to welcome Ghana's Platinum Jubilee [6th March 2027] The "B. I. G Project" in collaboration with the Christ Victory Ministries" under an "Abrahamic Accord" is hosting a series of events in honor of Abraham - the patriarch of Judaism, Christianity, and Islam".

"B.I.G."! is simply an acronym for "Believe in God" - "Believe in Ghana".

The "B.I.G."! Preparation kicks off with a lecture on Founders Day, Sunday the 4th of August, under the theme: Ghana! "Prepare to meet your God." - Amos 4:12.

A host of Prophets and Imams and dignitaries have been invited. Potential Platinum Jubilee Presidents have also been invited to be our Special Guests.

As Ghana awaits to celebrate its Platinum Jubilee anniversary of its independence from Britain, it is worth revisiting the Foundation speech Dr. Kwame Nkrumah delivered at the midnight to mark the event of Ghana's birth.

Ghana was the first sub-Saharan African country to gain its independence from colonial rule. Unfortunately in Nkrumah's speech he claimed: **"Our independence is meaningless unless it is linked up with total liberation of the African continent"**.

This is what the Lord says: "When seventy years are completed, I will come to you and fulfill my good promise as I did at **Ghana@50** under John Agyekum Kufuor my servant. For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future. You will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart. I will be found by you," declares the Lord, "and will bring you back from captivity."

It is commonly understood that a sovereign state is independent. Yet Nkrumah rendered our independence as **"meaningless unless it is linked up with total liberation of the African continent"**. This is a conditional Independence.

So by definition if it takes a million years for the total liberation of the African continent, then Ghana's independence remains "meaningless" for the next one million years! This is unacceptable!

Ghana is a sovereign state with a sovereign will. And if we are independent then we should be independent with no conditions.

God's Sovereign plan for us guarantees prosperity, hope and a future. The God of Bethel [Genesis 31:13] will bring Ghana back from this captivity as we celebrate our Platinum Jubilee. The process will end in 30 years as we celebrate our Centenary on the 6th of March 2057.

Traditionally Jubilee doors have to be officially opened and closed, so as directed by the Lord **"The B.I.G. Project"** in collaboration with the **Christ Victory Ministries** will organize **"4 B.I.G NIGHTS@ LEDZOKUKU"** to open the doors of the Platinum Jubilee from the eve of Friday 20th to the dawn of Tuesday 24th September 2024 for it is written in Haggai 2:18-19 **'From this day on, from this twenty-fourth day of the ninth month [2024], give careful thought "From this day on I will bless you."**

Our Islamic Brothers will open the event with prayers in the afternoon of Friday 20th September 2024 and the Christians will take the evenings.

This is the word of the Lord: “from the twenty-fourth day of the 9th month called September in the year 2024, I am going to shake the heavens and the earth as I did in 2012. On the Sunday the 21st of July 2024 I gave you a sign.

I will overturn royal thrones and shatter the power of the foreign kingdoms. I will overthrow chariots and their drivers; horses and their riders will fall, each by the sword of his brother.

“On that day,’ declares the Lord Almighty, the God of Bethel ‘I will take the ‘Governor’ declares the Lord, ‘and I will make him like my signet ring, for I have chosen him as the Platinum Jubilee President,’ declares the Lord Almighty.”

During the lecture on Founders Day, we will launch the book **‘A TALE FROM NORTHERN GHANA’ – ‘BREAKING THE 8 WITH BAWUMIA OR STOPPING THE BREAK WITH JDM’?** to aid in financing the **“4 B.I.G NIGHTS@ LEDZOKUKU”**.

When the 70 years of captivity was over Haggai the prophet and Zechariah the prophet, prophesied to the Jews in Judah and Jerusalem in the name of the God of Israel, who was over them. So they set to work to rebuild the house of God in Jerusalem with the prophets of God with them, supporting them.

As a result the eye of their God was watching over the elders of the Jews, and they were not stopped as before. The elders of the Jews continued to build and prosper under the preaching of Haggai the prophet and Zechariah. They finished building the temple according to the command of the God of Israel and the decrees of Cyrus, Darius and Artaxerxes, kings of Persia. [Ezra 5&6]

As we seek and pray for the peace and stability of our beloved Country to be sustained before, during and after the elections, in order to build a new nation and a new Ghana that offers hope and a future, a new Ghana that offers our youth economic opportunities, the Prophet's role as a primary development partner of the government should never be underestimated or compromised. . Everyone in Ghana knows that Kumasi is the home of the Prophets, and "Truly the Lord GOD will do nothing he has mentioned without revealing his purposes to his servants the prophets" [Amos 3:7]. This 2024 elections, is not about party politics. Ghana is going to go highly spiritual! What the Prophet says, that's where the Citizens will go!

The Lord God our Watchman who made us competent watchmen for His people is alert and active, and watching over His word to perform it.

God bless our Homeland Ghana & Founders Day, Sunday the 4th of August 2024
