Topic: THE 24TH SEPTEMBER BLESSING

What is the blessing of the 24th September?

2 Chronicles 36:15- 23 The Lord the God of their Fathers, sent word to them through his messengers again and again, because he had pity on his people and on his dwelling place. But they mocked God's messengers, despised his words and scoffed at his Prophets until the wrath of the Lord was aroused against his people and there was no remedy. God handed over to Nebuchadnezzar who carried them into exile in Babylon for 70 years in fulfillment of the word of the Lord spoken by Jeremiah.

Then in the first year of Cyrus King of Persia in order to fulfil the word of the Lord spoken by Jeremiah, the Lord moved the heart of Cyrus King of Persia and he released them to return to their own land and rebuild the Temple.

But 16 years from the Time the foundation was laid [Ezra 3:10] things were not the best.

So the Prophets Haggai and Zachariah came in to help them and told them it was not by might but by the Spirit of the Lord and that from the 24th Day of the 9th month which to us is September the Lord said he will begin to bless them. [See Haggai 2:15-23 and Zechariah 4:6]

Now 16 years from the time H. E. the Former President J. A. Kufuor laid the foundation of the Jubilee Covenant on **10th November 2008** we have had 8 years of NDC and 8 years of NPP and we can boldly say]Enkoyee] Nothing has happened to change or transform our lives because the Jubilee Covenant was broken but now as we approach our platinum Jubilee in 2027 the Lord says from the 24th day of the 4th Month called September he will begin the bless us as we walk in his will.

To be out of God's will is to be out of his blessings.

4 years after John Agyekum Kufuor laid the foundation of the Jubilee Covenant on **10th November 2008**, Speaking at a mini rally in Zualerigu on **Saturday10 -**

November 2012, H. E. John Dramani Mahama who became a President overnight because his Boss John Atta Mills passed away 4 months before on the 24th of July 2012 said if the NPP wants votes from the northern part of the country, then they should put up Dr. Mahamadu Bawumia as their flagbearer to face-off with him.

He added that unlike the NPP, the NDC gives equal opportunity to all irrespective of one's background.

Our brother Aliu Mahama was Vice President for **8** years. I was Vice President for 3 and half years. For almost 12 years, we have tasted Vice Presidency. It's no longer exciting. It's no longer what we want...**They want to win here, they should put him in Number One** and let the two of us contest and then they will get something from here, the president said.

On 4 November 2023 NPP elected Dr. Bawumia as their New Leader and Flagbearer for Election 2024. Then on the 20th of September has been put in the Number One position as h. e. John Dramani Mahama requested on the 10th of November 2012.

With Dr Mahamudu Bawumia the NPP's flagbearer securing **the #1 position**, the stage is set for an intense and closely watched presidential race in 2024. Dr. Bawumia whom many refer to as **"a man of destiny"** will go head-to-head with Former President John Mahama, the leader of the National Democratic Congress (NDC), whom many refer to as **"a dead goat"** in a bid to lead the country.

What will be the result?

All this is proof that the Jubilee Covenant is fighting JDM and the NDC as the 400 year covenant fought against pharaoh whose heart was hardened and his host and they were drowned in the water [as demonstrated by the NDC on the 17th September at the National Cathedral site]. After that a Cyrus will arise and the National Cathedral will be built under his watch. John Dramani Mahama and the NDC can't fight God. **"God is One"** and **"with God all things are possible"** – Matthew 19:26.

Furthermore to prove the existence of the Jubilee covenant and to prove that our God is a Covenant Keeping God as stated in Deuteronomy 7:9

To support Ghana's government to achieve its United Nations Sustainable Development Goal [SDG] to reduce poverty and inequality by 50% by our platinum Jubilee in 2027 the good Lord has commanded his Servants prepare to release the power to create Jobs and Wealth to as many frustrated Business Owners, frustrated Industrialist and frustrated Upstarts in preparation of what he is about to do in our platinum Jubilee which is 3 years away. Ghana will not be transformed into a middle income country by 2030 which is the country's long term development plan but rather in 2057 when we celebrate our centenary.

We all know what God did under President Kufuor during our Golden Jubilee anniversary and we also know what happened when we rejected the Jubilee Covenant under the NDC in 2009. Now God promises not only to restore our lost fortunes but he will do twice as much as he did under John Agyekum Kufuor.

We will prove to the whole world that the power to create wealth and Jobs is released on the platform of the Covenant as stated in Deuteronomy 8:18

So we will begin on **Sunday the 10th of November 2024 [8]** with a Special remembrance Service at the Christ Victory Auditorium and the event will be climaxed on Thursday 14th November the day our late Bishop Joseph Gardiner Bart Plange would have turned 81. May his soul rest in Peace.

PLATINUM JUBILEE EXPECTATION

This is what the God of Bethel [Genesis 31:13] says. "When the **"Blessings of the 24th September"** is released to as many frustrated Business Owners, frustrated Industrialist and frustrated Upstarts who will gather at the **"Victory Altar"** @Ledzekoku at the Christ Victory Ministries at Teshie Nungua **from the 10th to the 14th of November 2024** Ghana will attain to her Economic Independence by becoming a full-fledged Industrial Nation by her Centenary as an Independent Nation [1957 to 2057] so that all Kingdoms on earth will know that the Lord our God alone is God .

THE MYSTERY OF THE TWIN YEAR OF 2020

Auntie Vic the mother of JJR was born on the 9th September in the twin year of 1919. The late Former President Jerry John Rawlings' brother, Mr. Isaac Newton Nii Lante Addy, was born on June 4, 1938 in Keta in the Volta Region to the late

Thomas Alton Addy and Madam Victoria Betty Agboutui. So in 1979 when John Rawlings aka “Junior Jesus” took power on June 4th his brother, Mr. Isaac Newton Nii Lante Addy was **41 years** old.

The first execution was on 16th June and the second execution took place on the 26th June when a Former President Edward Akufo Addo who turned **73**, died 3 weeks later on 17th July at the age of 73. And Rawlings gives him a State Burial and hands over power to Liman on the **24th September 1979**.

So how come **41** years later when John Rawlings handed power over to Liman on the **24th September 1979** the mother of Rawlings Victoria Agbotui dies on the **24th of September 2020**, then the blessing of the 24th September was passed on to President Nana Addo Dankwa Akufo Addo on the 24th of October at the burial service of Auntie Vic and 50 days later Jerry John Rawlings who helped Nana Addo to win the 2016 elections also dies on the 12th of November 2020 at the age of **73**.

And just as Chairman JJ Rawlings gave Former President Edward Akufo Addo who died at the age of **73** a State Burial in 1979, the son of Edward Akufo Addo, President Nana Addo Dankwa Akufo Addo **41** years later gave Former President JJ Rawlings a State burial when he also passed away at the age of **73**.

One needs to understand to appreciate this mystery.

50 days after the 24th of SEPTEMBER 2024 if John Mahama and the NDC have not made the reuired necessary changes I shall personally congratulate H. E. Alahji Dr. Oheneba Mahmoud Kweku Agyeman Prempeh Bawumiah.

GOD BLESS OUR HOMELAND GHANA!
